Subject: Notification of Verification Conclusion

Dear Capstone Technologies LLC Team,

WECERT Quality Certificates Issuing Services Co. hereby informs you that the verification activities for your greenhouse gas assertion have been completed in accordance with the approved Verification Programme, ISO 14064-1, ISO 14067, and the applicable requirements of ISO 14064-3 and ISO/IEC 17029.

Following the completion of the verification process and evaluation of the evidence obtained, WECERT has issued a Disclaimer of Opinion for the submitted greenhouse gas assertion.

The verification conclusion is based on the evidence available during the verification process and is presented in detail in the Verification Report issued by WECERT. The final Verification Report is formally issued and provided herewith as an attachment for your review and records.

Should you require a new verification following the correction of the identified issues and the availability of sufficient, appropriate, and verifiable evidence, WECERT will be pleased to conduct a new verification in accordance with the applicable requirements.

We sincerely appreciate your cooperation throughout the verification process and thank you for choosing WECERT to provide this verification service.

We look forward to the opportunity to support Capstone Technologies LLC in the near future. We hope that, with greater preparation and the necessary improvements, we will be able to provide the verification service again and contribute to a successful verification outcome.

Yours sincerely,

WECERT Quality Certificates Issuing Services Co.
